Writ Petition No.17543 of 2005

ORDER:

This writ petition is filed questioning the action of the respondents in proceeding with the enquiry by keeping the petitioner under suspension and without paying any subsistence allowance. Therefore, the proceedings are illegal and hence sought for setting aside the impugned order.

At the time of hearing, the learned counsel for the petitioner, however, represented that he is not pressing for the relief as sought for, but the respondents cannot proceed with the enquiry without paying the subsistence allowance to which the petitioner is entitled to under law. Hence, he sought for appropriate orders.

Heard both sides and considered material on record.

The writ petition is disposed of directing the respondents to pay the subsistence allowance every month to which the petitioner is entitled to under the Regulations. With reference to arrears, if any, to be paid, the respondents are directed to pay the same within a period of four weeks from the date of receipt of a copy of this order. It is made clear that if the respondents fail to pay the arrears of subsistence allowance within the stipulated time, they are not entitled to proceed with the enquiry. No costs.
